

Our **Dry Erase** prize wheel Features a unique 3 mil. dry erase laminate that allows you to quickly customize your prize wheel by writing directly on the surface using dry erase markers. Select one of our stock colors, or provide us with your custom colors for an exact match. Most colors are in stock and will ship the business day after your order is placed.

We currently stock two types of prize wheels which allow you to customize each wedge yourself. Both wheels are designed with insert rails to hold your custom printed wedges.

Our **Custom Printed** prize wheels use a digital print process that allows us to produce some of the most unique Prize Wheels in the industry.
